

### Term 3 Speaking and Listening Presentations

July 2018

Dear Parents,

Once again, this term we will be encouraging the children to further develop their Speaking and Listening skills by asking them to prepare and present a short talk on the topic **'My Favourite Place to Visit in Sunbury.'** All presentations must run for **2 minutes**.

The table below shows the Speaking and Listening Program for this term.

Timeline	
<b>Prepare and Practise (weeks 2 &amp; 3):</b>  <i>Monday 23<sup>rd</sup> of July - Friday 3<sup>rd</sup> of August</i> <u>Please ensure students use these 2 weeks effectively</u>	<b>Presentations (weeks 3 &amp; 4):</b>  <i>Monday 6<sup>th</sup> of August – Friday 17<sup>th</sup> of August</i> <i>Refer to attached note for students presentation date</i>
<p style="text-align: center;"><b>My Favourite Place to Visit in Sunbury</b></p> <p>Sunbury is the suburb of our school and the place most of you call home. There are many places around Sunbury you may visit and we would love to hear about your most favourite Sunbury location. It could be a sport centre you attend, a park, a friend's house, the movies etc.</p> <p>Here are some ideas of what to cover:</p> <ul style="list-style-type: none"><li>• Description of your chosen location</li><li>• Why is it your favourite place in Sunbury?</li><li>• What do you do there?</li><li>• Who do you go there with?</li><li>• What's special about this place?</li><li>• Where in Sunbury is it located?</li><li>• How frequently do you go there?</li></ul> <p>You are most welcome to bring in things to show that will enhance your talk. e.g. 1 or 2 photos. Just be mindful not to show too many items as you need to stick to the time limit.</p>	

Children are expected to use **cue cards** with dot point notes for their talk. They are not to read their talk from a sheet of paper.

As the students will be assessed on their Speaking and Listening skills, it is an expectation that **all students will participate** in these Speaking and Listening sessions.

**PLEASE NOTE:**

***If students are not prepared to present on their allocated day, a star will be deducted from their final score. If the given presentation date doesn't suit, please see your child's teacher to discuss an alternate date ASAP.***

Should you have any questions, please do not hesitate to contact the class teacher.
