**CONTACT: Sharon**  
**Hub Coordinator**

A Parenting Support Program that really works on improving your relationship with your child.

Parents receive:

- Free Parenting journal
- Free handouts
- 1:1 phone consultation between group learning
- Supportive group facilitation.

The major aim of the program is to promote positive, respectful parent/child relationships.

Parents will learn:  
Child Development.  
Communicating without yelling or threatening.  
Managing challenging behaviour.  
Understanding the uniqueness of your child.

**This program is FREE and sponsored by The Department of Social Services**
